

OFFICE OF NANCY REAGAN

July 20, 2011

Dear Mr. Cerny,

I want you to know how much I appreciate everything you did to help celebrate my husband's Centennial in the Czech Republic. I am told the academic conference held at the Ministry of Foreign Affairs was a great success, and that we have you to thank.

My husband always felt a very strong bond with the people in the captive nations, and he was determined that America would do all it could to help those who struggled to be free. He would be honored that a street has been named in his honor, and his legacy will be remembered by the people of the Czech Republic.

Thank you again for helping to make the wonderful Centennial events in Prague possible.

Sincerely,

Nancy Reagan
